American Airlines Receives Recognition from Museum & Aquarium

Dubuque, Iowa – Feb. 13, 2009—Officials from American Airlines and American Eagle will speak at the National Mississippi River Museum & Aquarium on Monday, February 16 at 2 P.M. as part of the Museum's recognition of American's significant gift to the America's River Campaign. American Airlines and American Eagle have supported the Museum & Aquarium from its very inception and is continuing to support the Great Rivers Center and the America's River II campaign.

In recognition of that support, the Museum & Aquarium is unveiling a donor recognition plaque which recognizes American Airlines and American Eagle sponsorship of the Otter Exhibit. Debbie Mahler, of American Eagle's Sales Region One office in St. Louis will be in Dubuque for the event.

The public is invited to attend this recognition and help thank American Airlines and American Eagle for their support of the Otter Exhibit at the Museum & Aquarium.
